Agenda

Schedule for a AI Visionaries Summit

2026

Day 1: Sept 22, 2026

8:00am - 9:00am

Registration and Welcome Coffee Networking

Meet and mingle with attendees

9:00am - 9:10am

Opening Remarks by Magnivel International

Moderator: Pankaj Malik, LPS Bossard Private Limited, India

9:10am - 10:00am

Panel Discussion

Accelerating the future of AI and supercomputing

This panel explores how advances in supercomputing, AI chips, and large-scale infrastructure are enabling next-generation AI capabilities. Speakers will discuss global compute race dynamics, public-private investments, and the role of high-performance computing in accelerating innovation.

Key Takeaways:

- The future of AI compute and supercomputing ecosystems
- Strategic investments shaping global AI leadership
- Implications for governments and enterprises

- **Speaker Slot 01 (TBC): Soenil Soebedar - Founder & CEO of SOEBIT Cybersecurity**
- **Speaker Slot 02 (TBC):**
- **Speaker Slot 03 (TBC)**
- **Speaker Slot 04 (TBC)**
- **Moderator Slot (TBC)**

10:00am - 10:40am

Panel Discussion

Redefining AI: From Enterprise Threat to Strategic Asset

More Information At
www.magnivelinternational.com

Agenda

Schedule for a AI Visionaries Summit

2026

Once seen as a risk, AI is now becoming a core driver of enterprise value. This session examines how organizations are overcoming fear, governance challenges, and skill gaps to embed AI into core business strategy.

Key Takeaways:

- Turning AI risk into competitive advantage
- Governance and leadership alignment
- Real-world enterprise transformation stories

- **Speaker Slot 01 (TBC):** Ali Safri - CTO at Avanza Innovations
- **Speaker Slot 02 (TBC):** Shainoor Khoja - Founder & CEO at Thriving.ai
- **Speaker Slot 03 (TBC):** Ahmed Alashrafy - Founder and CEO of Vega Data
- **Speaker Slot 04 (TBC):** Sheeba Sultan Hasnain - Chairwoman & CIO, SENTIENTE
- **Moderator Slot (TBC):**

10:40am - 11:20am

Fireside Chat (Sponsor Session)

Preparing for the Next Era of AI-Driven Strategy, Structure, and Leadership

An exclusive sponsor-led discussion focused on how leadership models, operating structures, and decision-making processes must evolve in an AI-driven organization.

- **Speaker Slot (TBC)**
- **Moderator Slot (TBC)**

11:20am - 12:00pm

Mid-Morning Coffee & Networking

Curated networking with fellow delegates, speakers, and sponsors.

Agenda

Schedule for a AI Visionaries Summit

2026

12:00pm - 12:40pm

Panel Discussion

The Principles and Practices Behind Becoming an AI-First Organization

This panel breaks down what it truly means to be “AI-first,” beyond pilots and experimentation. Speakers will share frameworks, cultural shifts, and operating models that enable sustained AI adoption.

Key Takeaways:

- AI-first operating models
- Change management and talent strategies
- Metrics that measure AI maturity

- **Speaker Slot 01 (TBC): Amr Ibrahim - Manager of Data & Analytics, Americana Restaurants**
- **Speaker Slot 02 (TBC):**
- **Speaker Slot 03 (TBC): Ignacio Nicolás A. - Founder and CEO of Techain.ai**
- **Speaker Slot 04 (TBC): Mikael Boshian - Founder & CEO at SETY.AI**
- **Moderator Slot (TBC): Soenil Soebedar - Founder & CEO of SOEBIT Cybersecurity**

12:40pm - 13:20pm

Panel Discussion

Do the Benefits of AI Justify the Investment?

As AI budgets grow, leaders must justify ROI. This panel addresses cost structures, investment prioritization, and financial models that support sustainable AI deployment.

Key Takeaways:

- Measuring AI ROI and business impact
- Managing costs and expectations
- Investment decision frameworks

- **Speaker Slot 01 (TBC): Anitha Senthilnathan, AI & Cloud Solutions Architect, SAVIC Inc.**
- **Speaker Slot 02 (TBC)**
- **Speaker Slot 03 (TBC)**
- **Speaker Slot 04 (TBC)**
- **Moderator Slot (TBC)**

Agenda

Schedule for a AI Visionaries Summit

2026

13:20pm - 14:00pm

Fireside Chat (Sponsor Session)

From Prompt to Execution: Evaluating the Benefits and Risks of Automated Marketing

A deep dive into how generative AI is transforming marketing operations, customer engagement, and brand strategy – while addressing risks around automation, bias, and governance.

- **Speaker Slot (TBC)**
- **Moderator Slot (TBC)**

14:00pm - 15:00pm

Networking Lunch

An informal setting for relationship-building and sponsor engagement.

15:00pm - 15:40pm

Panel Discussion

Edge-Based Agents Delivering Measurable Autonomous Value

This session focuses on autonomous AI agents operating at the edge – where speed, privacy, and real-time decision-making matter most.

Key Takeaways:

- Use cases for edge-based AI agents
- Measuring autonomous system value
- Infrastructure and deployment challenges

- **Speaker Slot 01 (TBC): Soenil Soebedar - Founder & CEO of SOEBIT Cybersecurity**
- **Speaker Slot 02 (TBC)**
- **Speaker Slot 03 (TBC)**
- **Speaker Slot 04 (TBC)**
- **Moderator Slot (TBC)**

Agenda

Schedule for a AI Visionaries Summit

2026

15:40pm - 17:00pm

Oral Presentations (Topics TBC)

Short, focused presentations highlighting emerging research, innovative solutions, and real-world case studies.

17:00pm - 18:00pm

Evening Coffee & Networking

End-of-day networking with peers and sponsors | Closing of Day 01

Day 2: Sept 23, 2026

8:00am - 9:00am

Registration & Welcome Coffee

Meet and mingle with attendees

9:00am - 9:10am

Opening Remarks – Day 02

Moderator: Pankaj Malik, LPS Bossard Private Limited, India
A recap of Day 01 insights and an outlook on the strategic discussions ahead.

9:10am - 10:00am

Panel Discussion

When to Invest, Pause, or Pull the Plug?

This panel addresses one of the most critical leadership challenges: deciding when AI initiatives deserve further investment – or should be stopped.

Key Takeaways:

- Go/no-go decision frameworks
- Risk management strategies
- Learning from AI project failures

- **Speaker Slot 01 (TBC)**
- **Speaker Slot 02 (TBC)**
- **Speaker Slot 03 (TBC)**
- **Speaker Slot 04 (TBC)**
- **Moderator Slot (TBC)**

Agenda

Schedule for a AI Visionaries Summit

2026

10:00am - 10:40am

Panel Discussion

The Trillion-Dollar Question: Is AI Compute a Bubble?

With massive capital flowing into AI infrastructure, this session examines whether the current compute boom is sustainable or overheated.

Key Takeaways:

- Market dynamics behind AI compute
- Long-term demand forecasts
- Implications for investors and enterprises

- **Speaker Slot 01 (TBC)**
- **Speaker Slot 02 (TBC)**
- **Speaker Slot 03 (TBC)**
- **Speaker Slot 04 (TBC)**
- **Moderator Slot (TBC)**

10:40am - 11:00am

Fireside Chat (Sponsor Session)

From Scorekeeper to Strategist: How AI Is Shaping the CFO

A focused discussion on how AI is redefining financial leadership, forecasting, and enterprise value creation.

- **Speaker Slot (TBC)**
- **Moderator Slot (TBC)**

11:00am - 12:00pm

Mid-Morning Coffee & Networking

Curated networking with fellow delegates, speakers, and sponsors.

12:00pm - 13:00pm

Oral Presentations (Topics TBC)

Innovative perspectives from technology providers, startups, and researchers.

Agenda

Schedule for a AI Visionaries Summit

2026

13:00pm - 14:00pm

Networking Lunch

An informal setting for relationship-building and sponsor engagement.

14:00am - 14:40pm

Panel Discussion

Smarter Systems, Leaner Models: Reducing Compute Costs Without Sacrificing Quality

This panel explores optimization strategies, model efficiency, and architectural choices that reduce costs while maintaining performance.

- **Speaker Slot 01 (TBC): Dr Hamad Alnuaimi - ICT Advisor & Co-Founder of Digital Barza**
- **Speaker Slot 02 (TBC)**
- **Speaker Slot 03 (TBC)**
- **Speaker Slot 04 (TBC)**
- **Moderator Slot (TBC)**

14:40pm - 15:20pm

Panel Discussion

What If Green AI Is in the Red?

A critical discussion on sustainability, energy consumption, and the real cost of “green” AI initiatives.

- **Speaker Slot 01 (TBC)**
- **Speaker Slot 02 (TBC)**
- **Speaker Slot 03 (TBC)**
- **Speaker Slot 04 (TBC)**
- **Moderator Slot (TBC)**

15:20pm - 16:00pm

Panel Discussion

Compute, But Make It Connected: Building the Middle East's AI Networks

Agenda

Schedule for a AI Visionaries Summit

2026

This session highlights regional collaboration, infrastructure investments, and policy alignment shaping the Middle East's AI future.

- **Speaker Slot 01 (TBC)**
- **Speaker Slot 02 (TBC)**
- **Speaker Slot 03 (TBC)**
- **Speaker Slot 04 (TBC)**
- **Moderator Slot (TBC)**

16:00pm - 16:30pm

Closing ceremony of AI Visionaries Summit 2026

Key reflections, acknowledgments, and the roadmap ahead.

16:30pm - 17:30pm

Networking Coffee & Event Close

Sponsorship Opportunities Available

- Title, Platinum, Gold, and Silver Sponsorships
- Panel and Fireside Chat Sponsorships
- Exhibition & Demonstration Booths
